

**Alfmix Oy is changing its invoicing addresses**

Dear Sir or Madam,

Your customer Alfmix Oy is changing its invoicing addresses. New addresses are valid from April 1, 2019. Please see the new invoicing addresses from the table below. The old invoicing addresses are no longer valid. In addition, please note that these addresses are only meant for sending invoices, not for shipping goods etc.

Our preferred option is for all suppliers to move to e-invoicing. Electronic invoicing addresses can be found from the table below. The operator is Basware Corp. and the operator code is BAWCFI22.

Company	PO Box	E-invoicing address
Alfmix Oy		003702925779

If you have any questions related to invoicing, please send your questions to [invoice@alfmix.fi](mailto:invoice@alfmix.fi).
